SPEAKER HIGHLIGHT

Professor Oliver Mtapuri

Professor Oliver Mtapuri is a full Professor in the Discipline of Development Studies, in the School of Social Sciences. He has a PhD in Development studies. He is a C2 National Research Foundation rated scholar. Prof Mtapuri facilitates the following modules in the Discipline of Development Studies to postgraduate students: Poverty and Inequality and Advanced Research Methods.

During his career, he has supervised more than 120 Master's students and 20 PhDs to completion. He has published more than 130 journal articles in peer reviewed DoHET accredited journals, 14 book Chapters and four edited books. His areas of research interest include poverty, redistribution and inequality, community-based tourism, public employment programmes, research methodologies, theory development and project management.

WORKSHOP OVERVIEW

Delve into effective supervision in our Pedagogy of Supervision Workshop designed specifically for emerging researchers. This workshop offers a comprehensive exploration of the crucial components of exemplary postgraduate student supervision, equipping participants with invaluable tools, models, and shared experiences to enhance their supervisory practices.

Through dynamic sessions, attendees will learn to adeptly manage and guide the postgraduate supervision process, fostering a collaborative network for exchanging insights and engaging in discussions on best practices. Delving into the nuances of the supervisor-student relationship, this workshop provides a platform for deepening understanding and refining approaches to mentorship. Join us in this transformative learning experience
