

The University Capacity Development Programme Office

Cordially invites you to a

Writing for Publication Workshop

Workshop Overview

Whether you're just starting your research or you are about to complete your thesis, this workshop equips you with the essential skills and strategies to transform your work into publishable articles. We'll explore effective writing techniques, demystify the peer-review process, and provide insider tips for targeting reputable journals.

Facilitated by senior academics, this workshop is your roadmap to navigating the complex world of academic publishing. From crafting impactful manuscripts to understanding journal submission processes, we'll cover every step of the journey towards publication success.
